**Directions for Mental Health First-Time Golf Fundraiser A Success**  
*Benefit Raises \$25,000 for Local Children's Mental Health Services*

**Clearwater, FL (May 20, 2010)** - Directions for Mental Health kicked off a new fundraiser this year. The Keep Kids Safe at Home Golf Inaugural, held at the Belleair Country Club on Thursday May 13<sup>th</sup>, raised over \$25,000 for children's mental health & case management programs and included over 100 golfers, volunteers, and staff. The agency plans to put the proceeds towards children's services, including counseling, case management and foster care assistance, which often treat kids from low-income households.

"We are extremely pleased with the turnout and support we received this year," says David Lomaka, President / CEO of Directions. "Our supporters, peers and local businesses really pulled together to make it happen."

Lomaka says he hopes the agency will hold a similar event next year. "Our first year was an incredible success, and we expect next year will be even better."

Sponsors for Keep Kids Safe at Home Golf Inaugural included Golden Technologies, Stahl & Associates Insurance, Bouchard Insurance, Genoa Healthcare, Uni/Care, K-Tek Systems, Inc., and approximately a dozen other local businesses.
